

Remarks

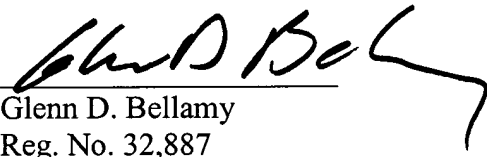

The Examiner rejected Claims 9 and 12 as being anticipated by Van Der Lans (US Pat. No. 4,079,755) and rejected claims 10, 11 and 13-17 as being unpatentable over Van der Lans (US Pat. No. 4,079,755)

In response, the Applicant has cancelled Claims 9 – 17, without prejudice leaving only allowed claims 1 – 8.

Applicant has made an earnest effort to be fully responsive to the Examiner's objections and requests the Examiner issue and Notice of Allowance for Claims 1 - 8.

The Applicant awaits receipt of the Notice of Allowance. However, if the Examiner should for any reason consider this application not to be in condition for allowance he is respectfully requested to telephone the undersigned attorney at the number listed below prior to issuing a further Action.

Respectfully submitted,
